Secretary, MSS Warora

Our Guide

Shri. Kaustubh Amte
MSS, Warora

Anand Niketan College of agriculture run by Maharogi seva samiti Warora , the first of its kind in eastern Vidarbha is entering 60th year of its existence. it is like a precious gift of globally known Anandwan, the pioneer in education and rehabilitation of all weaker sections of society to farmers and students of agriculture of this backward region of Maharashtra.

Late Baba Amte had led it's foundation way back in 1965 with a handful of leprosy patients as his allies. Initially the college was affiliated to Nagpur University but was later join to Dr. Panjabrao Deshmukh Krishi Vidyapeeth Akola with its inception in 1969.

Every year hundreds of students from all parts of the state seek admission for B.Sc. Agriculture Hons. degree program and march towards a bright future deriving inspiration of corporation and compassion from this sacred land of Anandwan.

Quality education, farmer oriented extension activities and need based research has been underlying the philosophy of the college.

The College has, over the years grown from a small sapling to a sprawling tree under the magnificent leadership of late Baba Amte, Dr Vikas Amte and Shri kaustubh Amte.

This is a bird eye view of our progress through the years
